Coming Soon: Very Important Information

Starting **Wednesday February 24**, the following information will be distributed to all employees:

- Your new **Boone Health badge** and instructions on when to use it
- Your **new userID and temporary password** to log on to Boone Health networks
- Your **new boone.health email address** and instructions on how to set up and read your email
- Instructions for downloading [REDACTED], which will replace [REDACTED] for multi-factor authentication. This app is useful if you check your work email or access Boone systems from home.
